Pathways to Possibilities 5K Fundraiser was a Success!

Our inaugural 5K fundraiser was an incredible success! Nearly 200 participants joined us for a sunny September morning of walking, running, and rolling — all in celebration of the amazing children we've supported throughout the year.

A heartfelt thank you to our generous sponsors, families, friends, volunteers, and donors for making this event so special. We can't wait to do it again next year with games, prizes, and lasting memories — all in support of our mission to create pathways to possibilities!

Now, Andrew has a VIP pass to nature's tunnel of trees! Our team is over the moon, bringing the beauty of the outdoors to this amazing family!

Welcome Brett Atwood

His profession is that of a storyteller.

With nearly 15 years' experience creating professional video content, Brett Atwood loves the act of sharing a powerful story that resonates in the hearts of many.

Lori's Voice is absolutely thrilled to welcome Brett to the Board of Directors. He is the talent behind the videos you might have recently viewed on social media.

Brett's business, Be Heard Productions, was named with the mission of helping people to "BE HEARD". He often jokes that if he can't hear someone, he'll just help other people to be heard in special ways.

To him, it's only natural to join forces with Lori's Voice to instill that mission for the benefit of children that deserve to BE HEARD!

Brett's passion to join the Board stems from Lori's Voice walking hand-in-hand with children with special needs, offering experiences they wouldn't otherwise have without our love and support.

In his spare time, Brett enjoys exploring the great city of Grand Rapids with his beautiful wife and two dogs, hiking trails and enjoying the little things in life with friends and family.

Please help us give Brett a warm welcome to our Board of Directors!

His love for our mission and creative talents make him an amazing addition to our organization.

A Lift for Morgan

Morgan needed a specialized lift to safely load her wheelchair into her van. These lifts significantly reduce the difficulty of transferring a heavy chair. Although they come with a hefty price tag, Lori's Voice stepped up to make this possible, greatly improving Morgan's quality of life.

These vital resources would not be attainable without the support of our generous donors. Thank you for your belief in our mission!
